2. Change the temporary password to your own

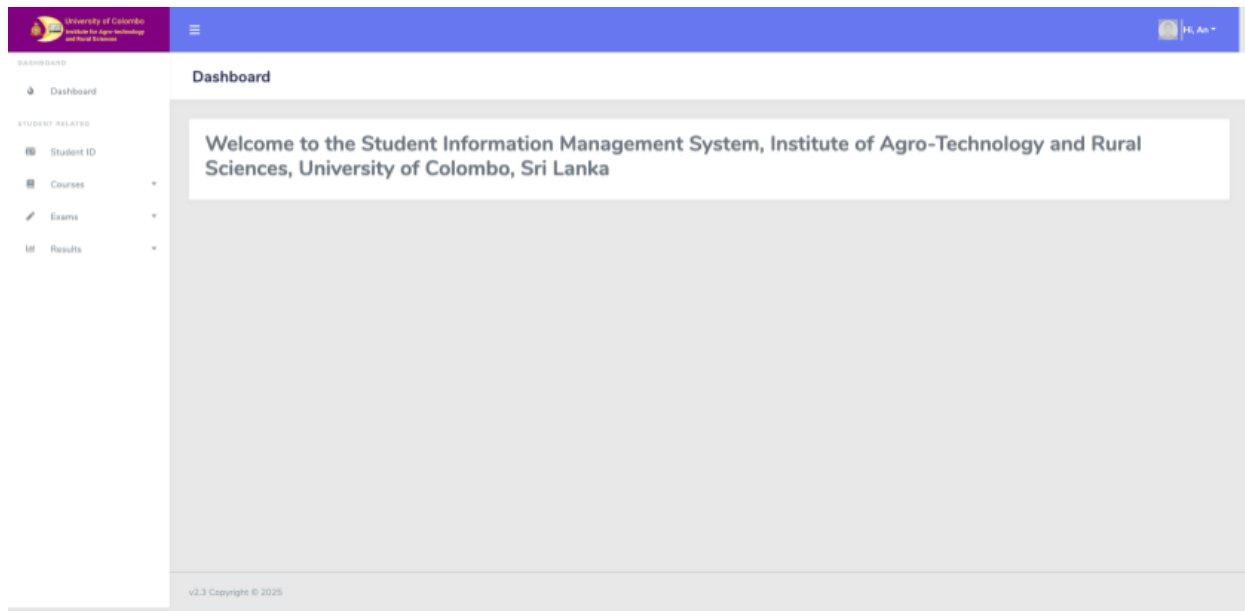

Once you log in to the system for the first time, you will see the following screen. By filling in the required fields, you can change your temporary password to your new one.

Then you can see the following screen called “Dashboard”

- Since your profile details are incomplete at the initial login, the above message will indicate this. **Then you can edit your profile by clicking on the “Edit Profile” button.**
- If your profile is completed with the required information, the following screen will appear as the “Dashboard”

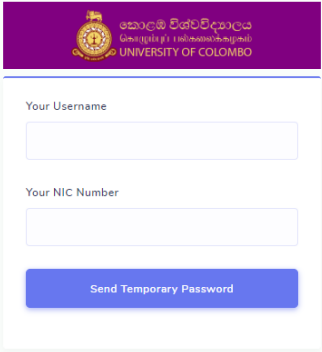

3.If you forgot your password

If you do not remember your password, then you can request a new temporary password by clicking on the “**Forgot Password?**” link on the login page.

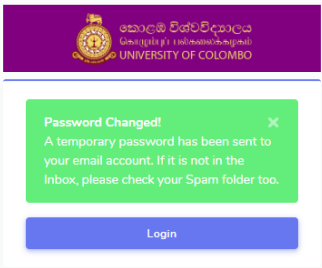

The image shows a login form for the University of Colombo. The form is centered on a light blue background. At the top of the form is the university's logo and name in Sinhala and English. Below the logo, there are two input fields: 'Email' and 'Password'. A red arrow points from the 'Password' field to a link labeled 'Forgot Password?'. Below the password field is a checkbox labeled 'Remember Me'. At the bottom of the form is a blue button labeled 'Login'. At the very bottom of the page, below the form, it says '2023 - University of Colombo'.

Then fill in the required details to authenticate your identity as the following image.

The image shows a login form for the University of Colombo. At the top is a purple header with the university's logo and name in Sinhala and English. Below the header, the form contains two input fields: "Your Username" and "Your NIC Number". A blue button labeled "Send Temporary Password" is positioned below the input fields. The footer of the form area reads "2023 - University of Colombo".

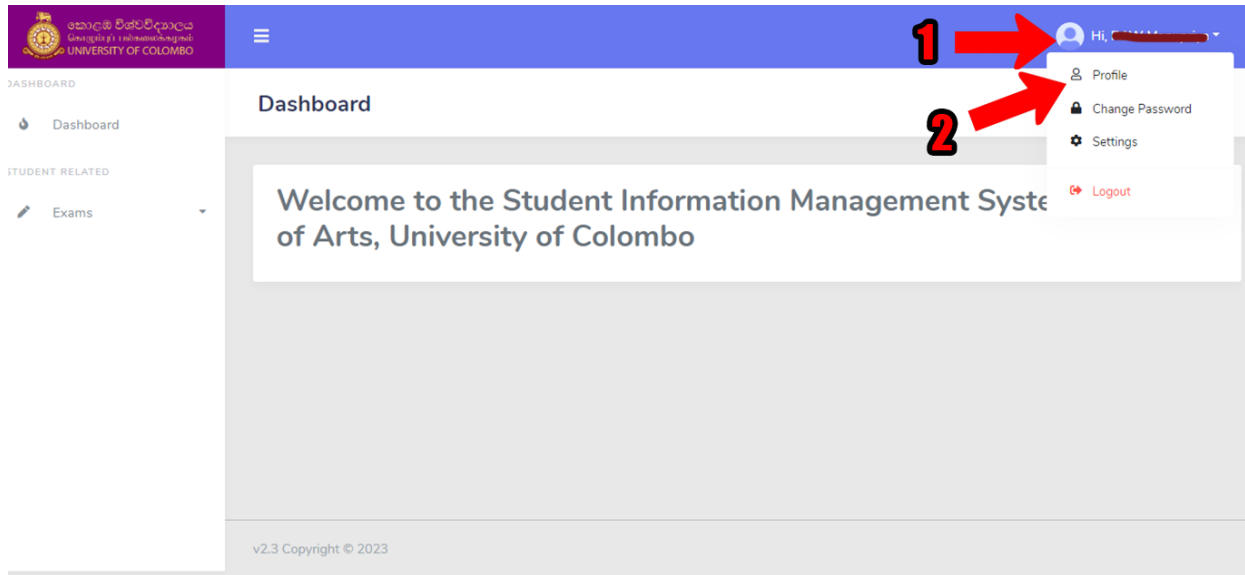

Then click on the “Send Temporary Password” button to get a new password.

The image shows a notification message on the login form. A green box with a close icon (X) in the top right corner contains the text: "Password Changed! A temporary password has been sent to your email account. If it is not in the Inbox, please check your Spam folder too." Below the notification is a blue button labeled "Login". The footer of the form area reads "2023 - University of Colombo".

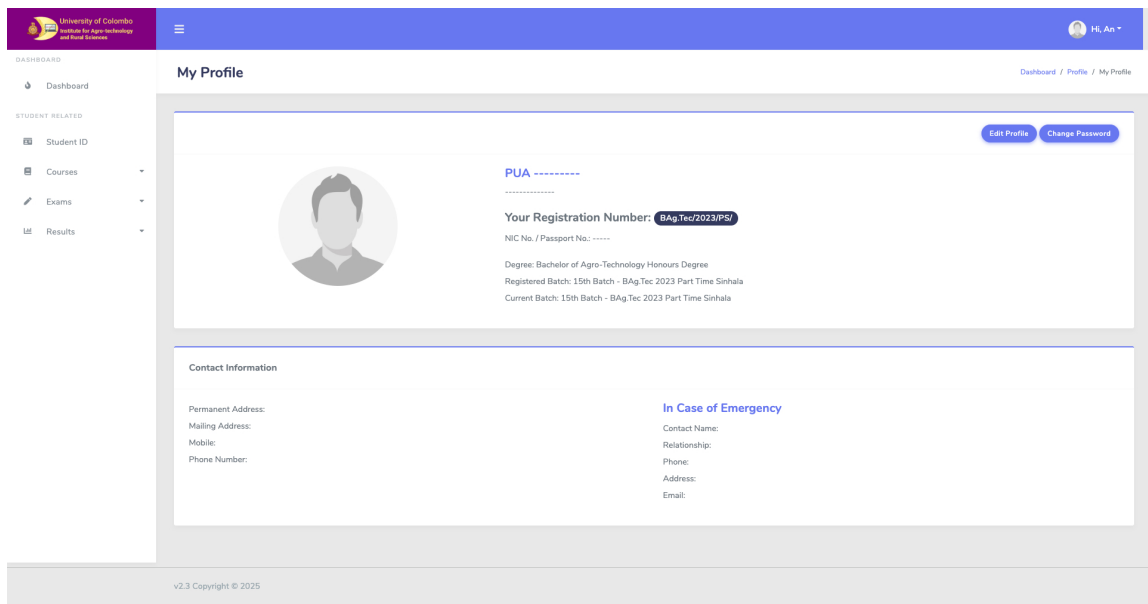

4. See your profile

- Step 1 - Click on your name in the top right header
- Step 2 - Select “Profile” from the dropdown list

Then you can see the following screen as your profile.

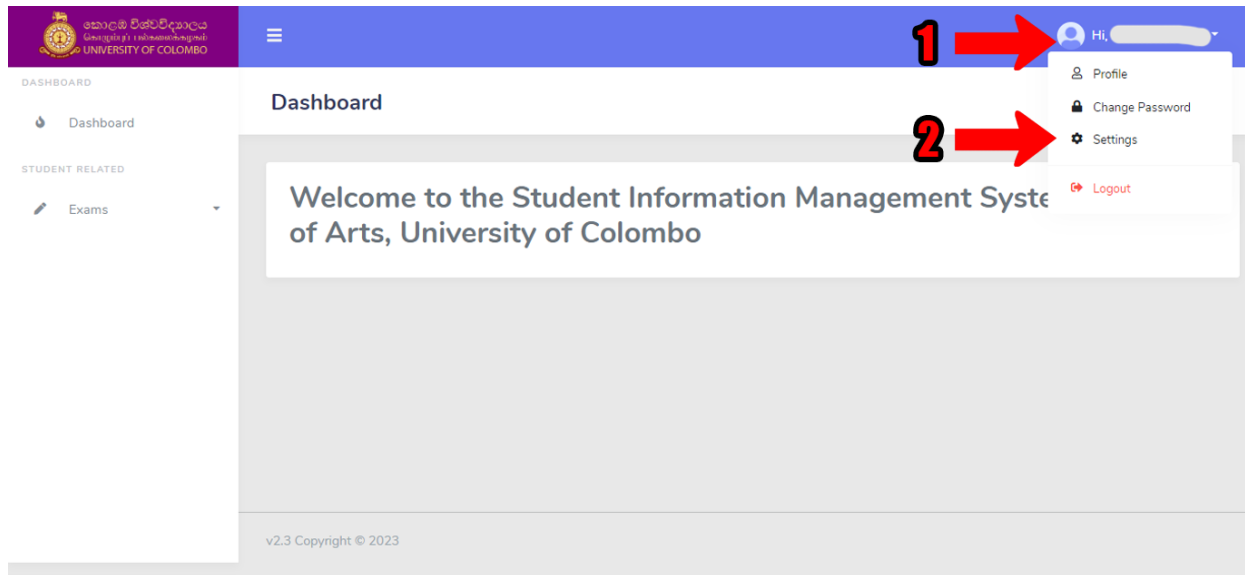

- By clicking on the “**Edit Profile**” button, you can edit your profile
- By clicking on the “**Change Password**” button, you can change your password.

5. Edit your profile

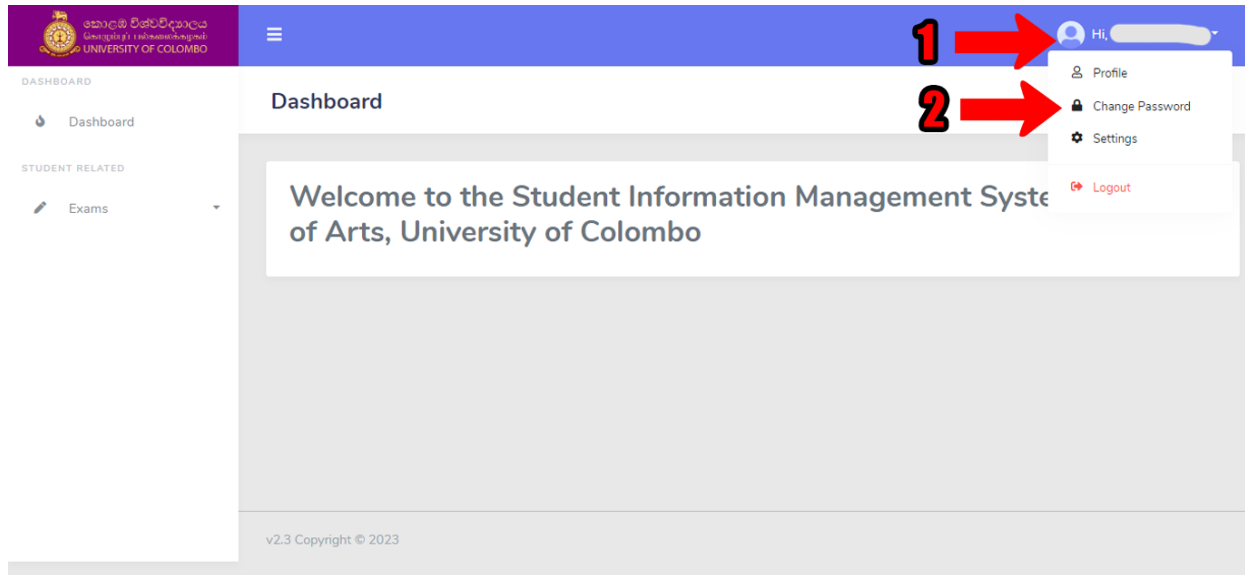

- Step 1 - Click on your name in the top right header

- Step 2 - Select “Settings” from the dropdown list

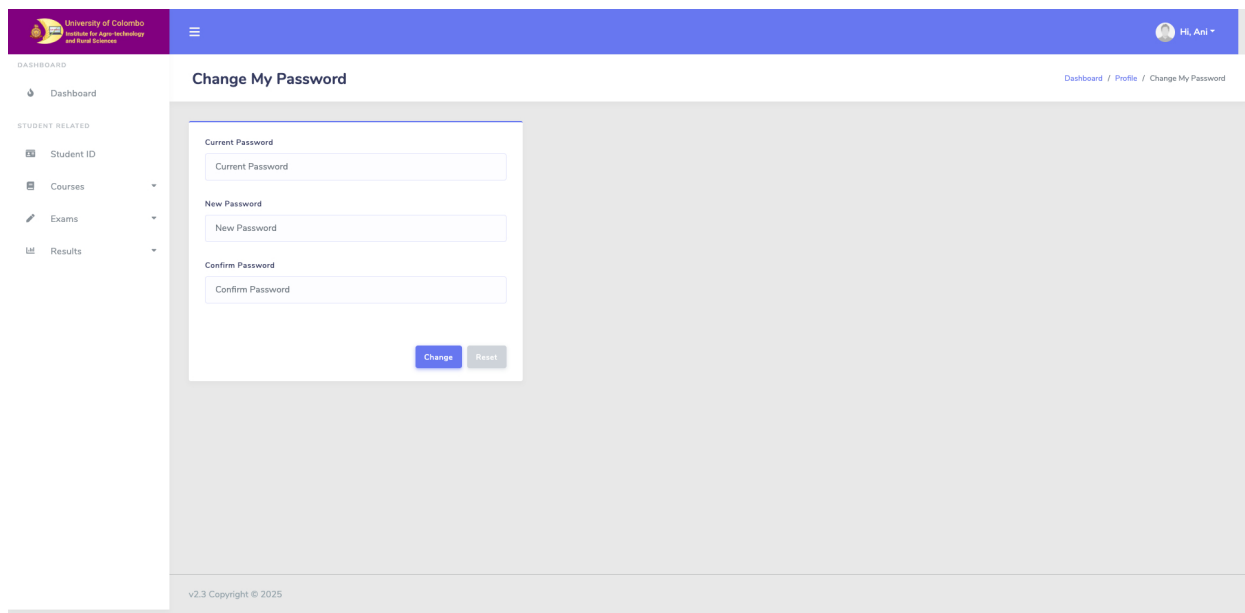

Then you can see the following screen.

- Please update your latest contact information here
- Please update your latest emergency contact information here
- Please update your latest, suitable photograph as your profile picture.

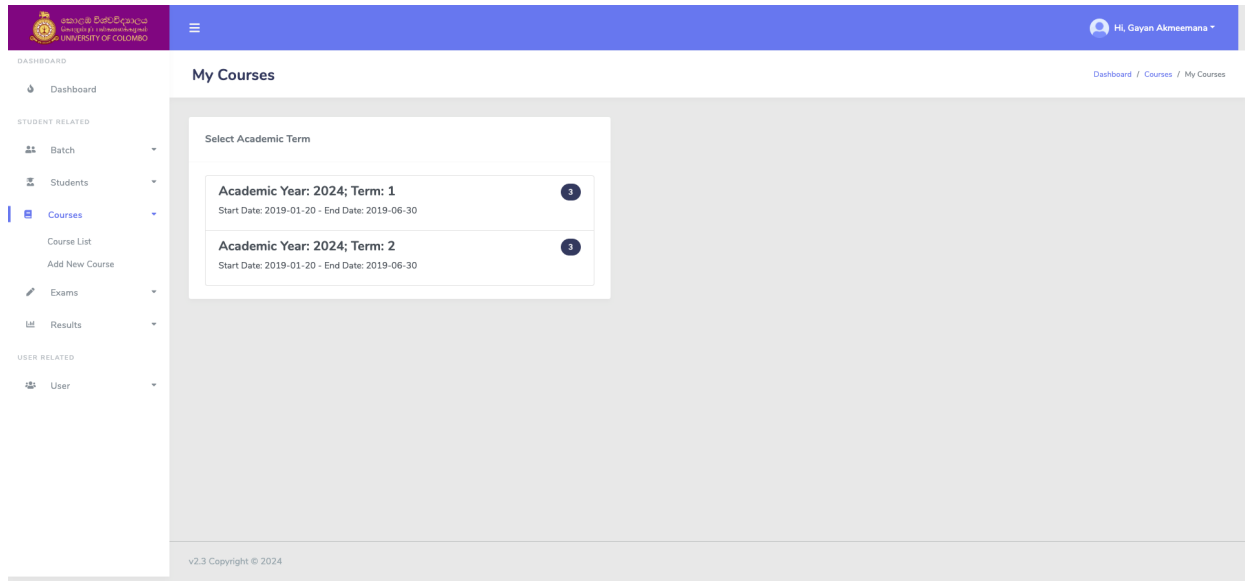

Then you can fill out the following details to change your current password.

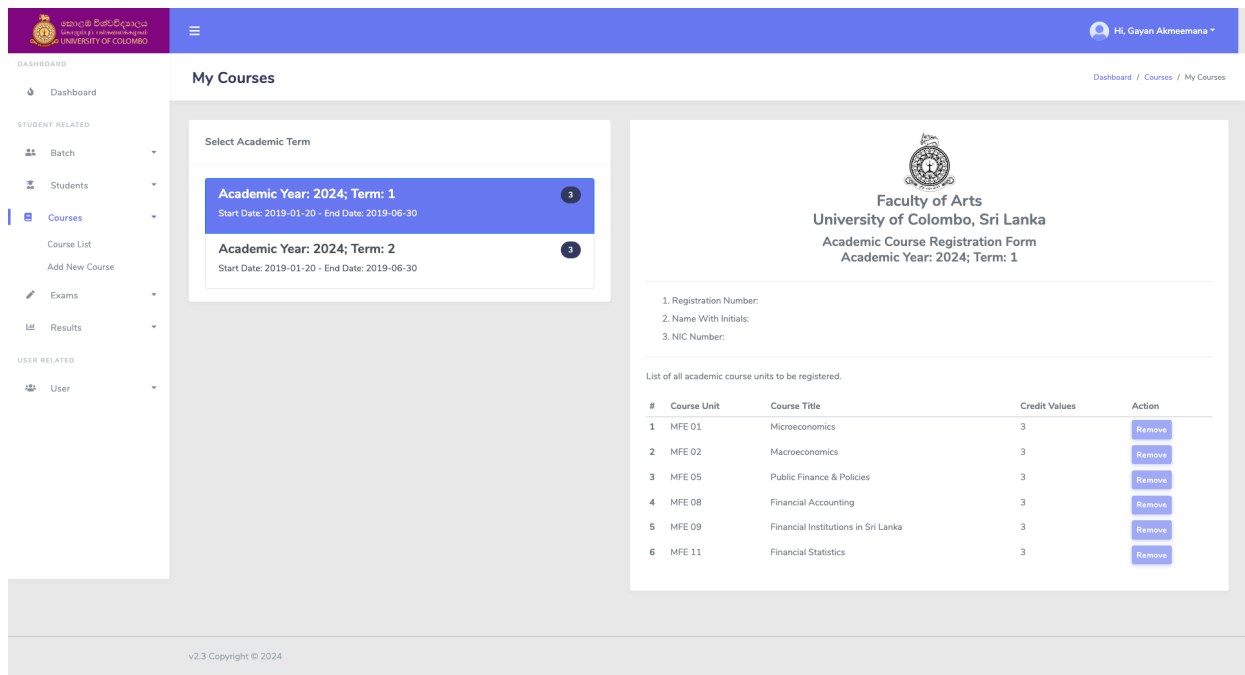

7. Course Registration

Once your academics start, you can register for your Academic Courses. Visit the Left side main menu → Courses → Student Courses

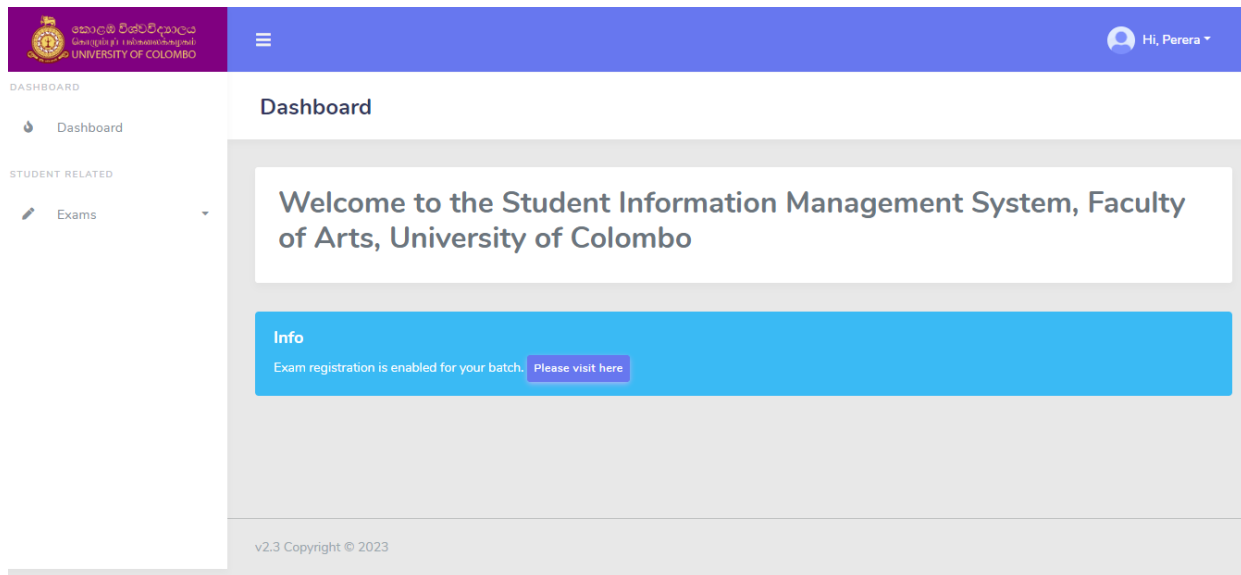

Then select your Academic Term to register for the courses. Once you select the academic term, all the compulsory courses are automatically registered, and you can select your elective courses.

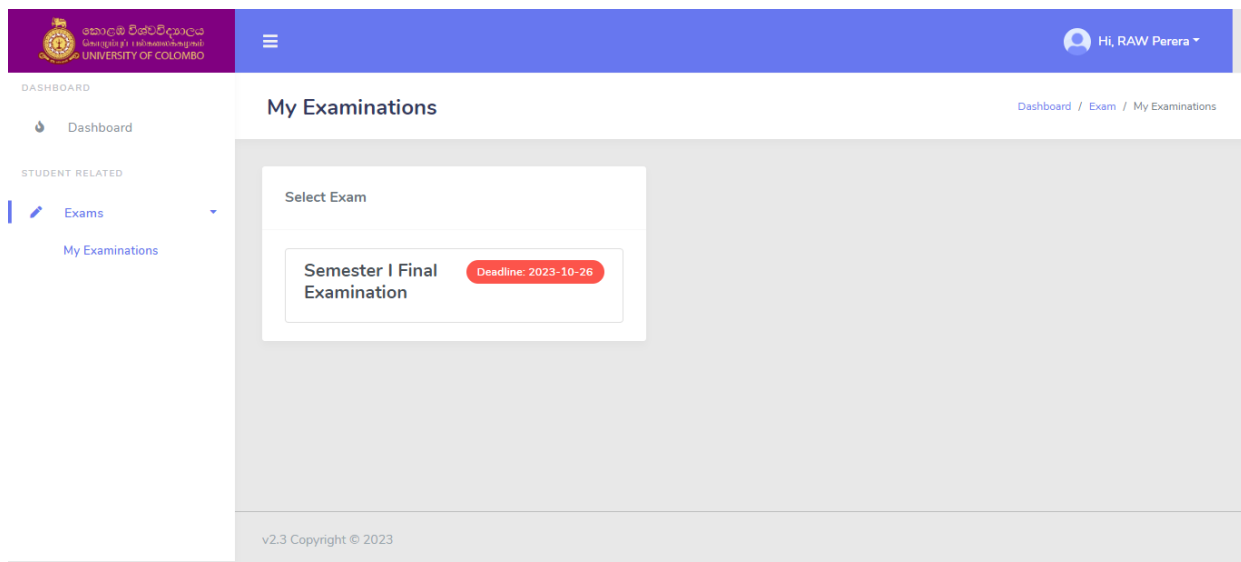

8.Exam Registration

Once the coordinator creates an exam event in the system, you can see a notification message on the dashboard as follows.

- Option 1: You can click on the “Please visit here” button on the dashboard
- Option 2: Visit the Left side main menu → Exam → Exam Registration

Once you visit the Exam Registration page, you can see the following screen. Here you can see all the exams related to you (Normal & Repeat).

Then select the exam you want to register for by clicking on the name. Once you select the exam, you can see the following screen and by clicking on the “**Exam Registration**” button you can register for the exam. **(Before registering for the exam, please check all the details are correct in the exam entry form, including the courses.)**
