Dear Students,

**Starting 3rd year second semester/Farm Practice Course 2017/2018 Intake
Group B- Bachelor of Agro-Technology Honors Degree**

This is to inform you that your farm practice course scheduled to conduct from 27/11/2021 to 13/03/2022.

It is compulsory to stay here 14 days continuously starting from 27/11/2021 to 10/12/2021 since this is the most important practical component of your degree and you have to complete practicals scheduled until crop establishment during this 14 days period.

You all need to prepare for that and please come to the hostel and stay 14 days adhering all the health guidelines given to prevent COVID 19.

Students must submit RAT (Rapid Antigen Test) reports at the date of entering to the institute premises and RAT should be performed 2 days before the date.

Looking forward to see you in the institute.

Dr N.P. Vidanapathirana
Head, Dept of Agro-Technology
