

Practical schedule for 10th Batch Group B Students – Principles of Soil Science AT1106

Practical No.	Practical / Activity	Scheduled date to conduct	Submission Type
1	Moisture content determination by Gravimetric Method	01.03.2019	Group
2	Moisture content determination by Tensiometer Method	26.04.2019	Group
3	Determination of Bulk Density of Soil	01.03.2019	Group
5	Determination of True Density of Soil	30.03.2019	Group
6	Determination of Porosity of Soil	30.03.2019	Group
7	Determination of Water Holding Capacity of Soil	09.03.2019	Group
8	Determination of Soil PH	26.04.2019	Group
9	Determination of Soil EC	26.04.2019	Group
11	Soil Profile	25.05.2019	Individual
12	Determination of Soil Texture	08.06.2019	Individual
13	Identification of Soil Organisms	16.02.2019	Group
Power Point Presentations		11.05.2019	Each member in the group must present
Mid Semester Examination		22.06.2019	Attendance are compulsory
